Dear Dr. Viphandh:

Enclosed you will find my resume for the position of Associate Dean, Faculty of Liberal Arts which I saw posted in the BANGKOK POST of April 29, 2002

Currently my wife and I reside in Singapore where I serve as the undergraduate dean for the Center for American Education. Prior to assuming this position I served as a part-time professor of English and later of business administration at the Monterrey Institute of Technology, Laguna Campus. I then assumed the position of Dean of the American International College of Mexico. Later I was asked to return to the Laguna campus of the Monterrey Institute of Technology where I was appointed to the position of Director of International Programs and lecturer of International Business. I also lectured in the MBA program with emphasis in management classes.

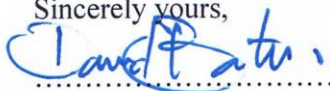

From 1998 through June 2000, I lived in Bangkok where I was a volunteer with Latter Day Saint Charities. During that time I taught advanced English writing skills to Masters Students at Chulalongkhorn University.

Additionally I have held several teaching and administrative positions at public schools within the United States.

My current position in Singapore ends approximately 1 August 2002. My wife and I are most interested in returning to Bangkok. I look forward to hearing from you concerning an interview should my skills and international experience be of interest to you.

I am currently in Bangkok and may be reaching at the ARNOMA HOTEL. I return to Singapore on Monday, May 6, 2002.

Sincerely yours,

Dr. David Wm. Bates
